Accuracy of your personal information

Morin Supply endeavours to ensure that any personal information provided and in our possession is as accurate, current, and complete as necessary for its intended use. Morin Supply relies on our clients to keep their personal information accurate, complete, and up to date. If Morin Supply becomes aware that personal information is inaccurate, incomplete, or out of date Morin Supply will revise the personal information and, if necessary, use best efforts to inform third parties which were provided with inaccurate information so that those third parties may also correct their records. Should you wish to update or correct any inaccuracies in your personal information in our records please contact the above-named Privacy Officer.

How long we retain your personal information?

Morin Supply keeps personal information only as long as is required for the reason(s) it was collected or as required by law. The length of time Morin Supply retains information varies, depending on the product or service and the nature of the information. This period may extend beyond the end of your relationship with Morin Supply, but it will be only for so long as it is necessary for Morin Supply to have sufficient information to respond to any issues that may arise at a later date. When personal information is no longer required for Morin Supply purposes, it will be destroyed, deleted, erased, or converted into an anonymous form.

How we protect your personal information?

Morin Supply endeavour to maintain adequate physical, procedural, and technical security with respect to our offices and information storage facilities to prevent any loss, misuse, unauthorized access, disclosure, or modification of Personal Information.

We further protect Personal Information by restricting access to it to those employees that the management of Morin Supply. has determined need to know that information in order for Morin Supply to provide our services.

If an employee misuses Personal Information, this will be considered a serious offence for which disciplinary action may be taken, up to and including termination of employment. If any individual or organization misuses personal information – provided for the purpose of providing services to or for Morin Supply. – this will be considered a serious issue for which action may be taken, up to and including termination of any agreement between Morin Supply and that individual or organization. Any and all consequences of such actions are at the full and complete discretion of Morin Supply.

Access to your personal information

Morin Supply permits the reasonable right of access and review of Personal Information held by us about an individual to ensure that it is accurate.

If an individual believes any Personal Information concerning him or her is not correct, that person may request an update of that information by sending a request to the person named as the Privacy Officer. We reserve the right not to change any Personal Information but will append any alternative text the individual concerned believes appropriate.

There may be times when Morin Supply is unable to fulfill your request. Morin Supply reserves the right to decline access to Personal Information in specific situations including but not limited to where the information requested:

- Would disclose (i) personal information, including opinions, about another individual or about a deceased individual; or (ii) trade secrets or other business confidential information that may harm Morin Supply or the competitive position of a third party or interfere with contractual or other negotiations of Morin Supply or a third-party;
- Is subject to solicitor-client or litigation privilege;
- Is not readily retrievable and the burden or cost of providing would be disproportionate to the nature or value of the information;
- Does not exist, is not held, or cannot be found;
- Could reasonably result in (i) serious harm to the treatment or recovery of the individual concerned, (ii) serious emotional harm to the individual or another individual, or (iii) serious bodily harm to another individual;
- May harm or interfere with law enforcement activities and other investigative or regulatory functions of a body authorized by law to perform such functions;
- Any other grounds under applicable legislation.

Where information will not or cannot be disclosed, the individual making the request will be provided with the reasons for non-disclosure. Where information will be disclosed, we will endeavor to provide the information in question within a reasonable time and no later than 30 days following the request.

Morin Supply will not respond to repetitious or vexatious requests for access. In determining whether a request is repetitious or vexatious, Morin Supply will consider such factors as the frequency with which information is updated, the purpose for which the information is used, and the nature of the information.

To guard against fraudulent requests for access, Morin Supply will require sufficient information to allow us to confirm the identity of the person making the request before granting access or making corrections.

[Amendment of our practices and this policy](#)
